

# Mud & Play

Social Story

**I am going to an event called Mud & Play at Cleland Wildlife Park.**

**Mud & Play is going to be so much fun! This story will help me learn more about the fun things we can do there.**

**I might have fun and get muddy. I should wear warm clothes like a jumper, hat and gum boots.**

**My family will be there with me. They can help me when I need.**

**If I need help or become lost, I can find an adult wearing a Cleland Wildlife Park green vest or an adult wearing a pink Playgroup SA lanyard. I can stay with them until I find my family.**

**There are lots of toilets at Cleland Wildlife Park. There are toilets next to the café, and toilets near the carpark. These include nappy change spaces and accessible toilets too.**

**If I get hungry, I can sit somewhere and eat something from my lunchbox, or we can go to the cafe.**

**The foot paths are accessible for prams, wheelchairs and walking frames. I can ask for a map to help me find my way around.**

**I might see some native Australian animals... like this little wallaby.**

**I might see a Koala.**

**I might also see a Kangaroo...or three!**

**I might see some animals eating a  
yummy snack.**

**I am going to have so much fun at Mud & Play.  
I can't wait**

**I am going to have so much fun exploring  
the different activities.**

**I can make some mud art.**

**I can mix some potions.**

**I can do some water play.**

**I can build a tee-pee.**
